

IS YOUR CREDIT SCORE LESS THAN **850?**

Whether you're trying to improve your credit profile, or become eligible for a better rate, the DHI Mortgage Home Buyers Club® can work with you. We believe that no one should pay more than necessary for their mortgage, especially when a small improvement in your credit rating could result in a more attractive financing option. The DHI Mortgage Home Buyers Club is a historically successful program that has worked with thousands of customers to prepare them for successful homeownership. Best of all, this service is COMPLIMENTARY. (However, as a preliminary step, participants must pay for and complete certain third party home buyer education.)
